Thank you, Tony.

I'll talk with Jennifer and Justin about this. I appreciate the follow-up!

Leah and Jennifer,

One item I forgot to check in with you today is the Lower Umatilla work and issues going on. I would like to connect with you soon on whether it would be beneficial to set up a meeting with you or your designees and with our water, enforcement and science support divisions to explore what technical support we may be able to provide.
